Welcome To The Annual Legion Carnival

The Annual Legion Carnival, scheduled for Haliburton on Wednesday night, July 19 promises to be the biggest carnival in the Legion's history.

"Bun" Davidson is this year's Carnival Manager again this year and he reports several new attractions in the way of new games, etc.

George Brennan is in charge of the entertainment and he told the Echo this week that he promises everyone a good show.

A parade which will leave the Legion Hall at 7:30 p.m. will get the evening's entertainment under

way. The parade will be led by the Haliburton Legion Band. The parade will line up at the Legion Hall and proceed down the Main Street to the War Memorial and then back to the Legion.

Following the parade there will be fun and games and bingo in the Arena. A Teen Dance will be held in the Arena Auditorium with the music being supplied by the Canadian Suns six piece orchestra. The dance will be held from 9 to 12. Outside the Arena the children and adults will have the opportunity of riding on the ferris wheel, merry-go-round plus

other rides.

The Legion have lined up a terrific stage show from Toronto and two complete shows will be held on the arena stage at 9 p.m. and 10:30 p.m. The show will feature Billy and Kay Arnett, well known sophisticated deceptionists of T.V. and show business fame. Fling out the bill will be the lovely Margaret Lewis playing the Accordion and Chordovox.

The draw for the 1967 Plymouth Fury car will take place at 11:30 p.m.

So why not bring along the entire family to the Haliburton

Legion Carnival to be held at Haliburton on Wednesday, July 19. Arena admission: Adults 25c and children 12 years and under free.

Sports Flash

We have just received word that the first summer hockey game in Haliburton's history will be played at the Haliburton Arena on Saturday, August 19. Barrie T.V. No-Stars will meet the Haliburton Huskies Old Timers.

Wilf Eason Dies

FOUND DEAD IN WRECKED CAR

A 53-year-old Norland businessman who died after his car went out of control on Highway 35 at Moore's Falls on Sunday night, is believed to have suffered a heart attack.

Police said Wilfred Eason, who operates Eason Motors in Norland, died about 20 minutes after the accident.

Coroner Dr. F. E. A. Griffiths could not be contacted for comment.

Police said the Eason vehicle had been southbound on Highway 35 and entered a sharp right curve at the Moore's Falls bridge. The car went out of control and rolled.

Police said Mr. Eason died about 20 minutes after the crash,

but did not think death was caused by injuries sustained in the accident. He was dead when Minden ambulance arrived on the scene.

Mr. Eason was a former member of the Laxton, Digby and Longford Municipal Council.

He is survived by his wife Pearl (nee Smith) two sons, Gary and John, both of Norland, two daughters, Mrs. Ronald Black (Shirley) of Orono and Mrs. Robert McGee (Margaret) of Bowmanville and four grandchildren.

The body rested at the John Welch Funeral Home, Minden until Wednesday, when funeral services were held at the Baptist Church in Norland at 2 p.m. Burial was made in Pine Grove Cemetery, Norland.

Police Removal Discussed At Dysart Council Meeting

Dysart Council held their regular monthly meeting on Monday morning and we would say that we believe that a record breaking number of deputations were present at this meeting, and although this was a long session we will try as space will allow to give readers the highlights of the meeting.

We might say that Relief Accounts were really down, the total for June being \$703.00.

For some years now those who have cottages on the north side of Outlet Bay, which can only be reached by boat, have been complaining about the limited parking space, and a petition was contained in a letter received by Council asking that steps be taken to rectify this situation. A

deputation later appeared before the members later in the day regarding this same matter. Council have decided to widen the road to 60 feet in width to see if that will help out in this matter.

The Department of Highways have requested more information regarding the long awaited sidewalk from Haliburton Village to the Haliburton Highlands Secondary School.

The Ontario Water Resources Commission have notified that they will have their report concerning sewage and waterworks for the Village of Haliburton ready some time in November.

An application was received by Council for permission to hold stock car races in the Village of West Guilford on Sunday afternoons.

A deputation appeared made up of cottagers from Bitter Lake who requested something be done about their roads. The people purchased land from the Gilford Developments and as in this case the developer is now out of business failed to bring the road up to standards required by the Department of Highways. Council feel that the cottagers in this case should put up the money and bring the road up to standard so

that the Municipality can take it over. The cottagers threatened to withhold their taxes until some action is taken.

A deputation came to Council representing the businessmen of Haliburton who are greatly disturbed due to the fact that we are likely to lose our police detachment, and asked Council what they proposed doing about this serious matter. Our Hydro men were moved out of here said one businessman, and you did not do anything about that. Reeve Brohm stated that the present Council were not running affairs at that time. It was the consensus of opinion that moving the Hydro linemen out of Haliburton was serious enough, but when it came to the O.P.P. that is something that ought to raise the strongest objections. Deputy Reeve Hobden offered to accompany a deputation to see the Commissioner to protest the proposed move.

Members of the Dysart Community Centres Board tabled the new contract that they had drawn up with Wren Blair. The new agreement gives Mr. Blair sole rights to the facilities of the Arena with the exception of the Legion or Rotary Carnival nights

Letters To The Editor

July 7, 1967.
Box 51, Millbrook, Ontario.
Haliburton County Echo.

Dear Sir:

The taxpayers of Dysart et al have received their 1967 tax bills minus any explanation for the jump of \$70,000. in Educational Costs while provincial educational grants shrank by \$11,000. (58% to 48%).

What can this mean? Why have we been kept in the dark by our school boards? No business corporation would dare gloss over such a change in its financial situation without bringing the facts to its shareholders. One can only wonder if our funds are being handled in a judicious manner. Please tell us.

Handling expenditures of close to \$400,000. annually requires business acumen, prudence and responsibility to those who foot the bills. This is big business and we are entitled to full disclosure.

When we are led to believe educational grants should run from 60% to 80% in Haliburton County what is the explanation for the lowered grants this year? Until my interpretation of the facts is questioned or the Trustees make an open statement on their stewardship, I and a lot of my fellow taxpayers can only assume all is not well. I think the columns of this paper are open to them to give us all the facts.

Not all taxpayers are willing to swallow what has happened this year and some drastic changes should be instigated. An overdue explanation would be welcome even now. How about it?

Norman P. Smith.

Editor, Haliburton County Echo,
Haliburton, Ontario.

I was very much interested in the letter of Mr. Bonner last week. He mentions the high increase of taxes this year. In ten years taxes in Harburn have gone up three-fold. All of us in the cottage country are much perturbed about this situation.

However, to blame the High School Board is slightly unfair. If Haliburton is to attract qualified teachers it must pay salaries to its high school teachers com-

parable to the rest of Ontario. Because of the low assessment the mill rate must be high. It is a question of simple arithmetic.

This week I was talking to the Editor of this paper and mentioning the poor road conditions north of Norland. These roads were primarily built for sight-seeing. However, the permanent residents and cottagers are not interested in sight-seeing, and on a cold rainy evening the journey can often be very frustrating.

Could not a new road be built from near Beaverton straight to Minden. This road would cross country which at the present time is rather unproductive. It would not hamper traffic on the present scenic highways, and would save about 15 to 20 miles in highway travel. A continuation of this road could possibly extend northward from Minden along the old Bobcaygeon Road to near St. Nora's Lake and another continuation could continue northeastwards to the Peterson Road and continue east to Maynooth.

My best regards and my wish that your paper continue its good services to the people of Haliburton.

A. C. Morris.

Wrestling Here Saturday Night

Big time Wrestling comes to the Haliburton Arena this Saturday night, July 15.

Headlining the card will be Whipper Billy Watson who will meet the Giant Masked Yankee in the main event.

The women wrestlers will also be here to put on a Judo Exhibition, featuring Joyce Grable and Fabulous Moolah.

And for those wrestling fans who like to see the Midgets in action they will have the opportunity of seeing a Midget Tag Bout. One other big bout is also on the card.

So it's wrestling this Saturday night at the Arena, and the action starts at 9 p.m. General Admission \$1.25, Ringside \$1.75 and Children .75c.

\$300 Damage

Damage of \$300 resulted last Saturday morning near Kilmount when a car driven by Murray David Simmons, 20, of Iroindale, crashed through a mail-box and a highway sign.

Police said the accident occurred north of Kilmount on Highway 121.

Minden O.P.P. Constable Joseph Watson investigated.

Dunsmore's Gain Canoe Success

At a recent Centennial Canoe Race held at Barrie, John and Don Dunsmore came in first. The race which was staged at Kempenfelt Bay attracted a field of 16 two-men canoes.

We might add that Don Dunsmore is the husband of the former Karen Robertson of Haliburton.

BAC Meet Sunday

George Hunt of Toronto will be the guest speaker at the Brotherhood of Anglican Churchmen's Communion and Breakfast to be held at St. Andrew's Anglican Church, West Guilford this Sunday morning, July 16 at 8 a.m.

Mr. Hunt is well known in the area as he is a summer resident here and he hunts here in the fall with C. W. Hodgson's hunting party.

Mervyn Everall will conduct the service.

Car Plunges Into Hall's Lake

A 19-year-old West Hill youth James Banford, escaped with minor abrasions when his car went out of control on Highway 35 and plunged into Hall's Lake early Sunday morning.

Police said the car came to rest on its roof in two feet of water. Damage to the car was estimated at \$1,700.

Minden O.P.P. Constable Allan Brooks investigated.

Local Showman Joins Caravan To The West

On Tuesday, June 27 a unique expedition began in the form of a caravan of horsemen and their show animals, the destination being the Brandon Fair, Manitoba's Provincial Exhibition.

From our district went Mr. and Mrs. S. G. Nesbitt and Wendy, Alvin Mark of Cameron, Keith Hobden of Brooklin, Reg Black and family of Brampton, Heber Down Farms horses, Brooklin in charge of Warren Campbell. Dr. Lester and family of Lindsay also joined the group, ready if veterinary services were needed. As the President of Ontario Belgian Association and Director on the Lindsay Fair Board of Heavy Horse Division he proves a keen enthusiast.

Leaving from Atherly, Ontario the next stop was Coldwater and then travelling on through Sudbury to Massey, a small town whose fairgrounds provided the night's camping spot. Here the children and townspeople tumbled out in numbers to greet the caravan.

On to Marathon, and after Sault Ste. Marie a rest at Lake Superior Provincial Park. Four hundred miles a day is hard travelling with such cargo, but the horses stood the trip very well and when they do tire and become restless they protest by severe kicking in the vans.

Dryden, the next stop, provided welcome rest and refreshments. Sing songs by the group in the

evenings after the meal were enjoyed. Twenty-four horses and twenty people comprised this travelling group. A sign reads "Brandon 144 miles" which is really quite a long trip, and the men were served coffee to keep them awake while driving.

Rain and cool weather greeted them on arrival but it did not dampen the spirit of this hardy type. A hive of activity took place, first to get settled for the week's stay and then the horses had to be fed and exercised. They also had to be washed, brushed, clipped and trimmed, and the harness had to be polished and the stalls decorated. The horses' mains and tails were also braided.

The horsemen complimented each other on their "tack rooms", each showman's little corner where he can sit and visit with friends and where the harness is also hung, trophies displayed and prize ribbons pinned. It is not hard to tell when wife and daughter are along, with the presence of little curtains, flowers and general tidiness displaying this fact.

This Centennial Year will always be remembered with a fond touch of the old by all in this group as the pioneer spirit is brought back by travelling and camping together on this westward trek back.

The caravan returned back this week. Welcome home to the Nesbitts.

WILBERFORCE PERSONALS

At last I am pleased to say the Township grader was put to work on the Essonville Line Road and Earle's Hill has been made at least passable. One side still has a bad ditch but the bottom of the hill has been filled in and restored to normal.

A Taxpayers' Meeting was held on Tuesday, but so far no report of its deliberations has been released.

On Friday last I had the privilege of visiting Camp Brigadoon. I was shown through many of the buildings and met a number of the staff. Dr. Ballard and Mrs. Flynn are to be congratulated on the arrangements made for the comfort of the children. I watched the children learning how to swim and dive and also saw the handicrafts being taught. The children seem a very well behaved and happy family. On Saturday we were invited to visit Camp

Brigadoon for the weekly "Skit Night"; this consists of a programme of skits arranged by the children and staff. I cannot describe all the skits but I was very impressed by the dancing of two of the girls here from Mexico, who danced in their native costumes which were very beautiful, also a very fine piano solo, a sword dance and numerous other good turns which made up a very entertaining evening. Mrs. Flynn and Dr. Ballard, looking forward into the future, gave us a very humorous idea of their memories of "way back" when they first started the Camp.

Mr. and Mrs. Arthur Saunders were at home to their friends and relations on the occasion of their 25th Wedding Anniversary. Miss Joyce Saunders and Bob drove up from Toronto to be present on this auspicious occasion.

The Monmouth Council are

holding the regular monthly meeting on Monday night in the Council Chambers. More on this later.

Mr. Norman Davy arrived from Toronto on Monday to spend a week at the Rendall's cottage on Otter Lake.

Congratulations are in order for Mrs. J. W. Earle who is celebrating her 89th birthday on Tuesday, July 18, a long time resident of this area. Her many friends wish her many more years of happiness and health.

HALIBURTON

Mr. and Mrs. Bob Dart and Gregory of Willowdale visited with Mr. and Mrs. R. M. Dart at Haliburton Lake while on holidays.

Mr. and Mrs. W. Ross Smyth are enjoying a motor trip to the East Coast and will spend a few days at Expo before returning to Ottawa and Haliburton.

The reserve for working funds was increased in 1966 by \$11,609.87 being a transfer from surplus.

Surplus - \$50.97

The operations of the Township resulted in a surplus of \$50.97 after bringing forward the 1965 surplus of \$2,068.02 to reduce the levy for 1966.

GENERAL

The books and records of your Municipality are in excellent condition.

Subject to the comment regarding excess borrowings, we hereby report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1966 and the results of its operations for the year ended on that date.

SUGAR AND SPICE

by Bill Smiley

SMILEYS-TO-EXPO-CONTEST

Don't tell me there aren't any creative writers in Canada. The country is crawling with them. More than 100 entries for the Smileys-to-Expo guest column have arrived, and they're still pouring in.

My wife thought all along it was rather an ill-conceived project, or as she put it, "a dumb idea", and I'm beginning to agree with her. One of the chief hitches is that I forgot to organize some judges. So I'm it.

So, first of all, I must read them all, some twice, some thrice. This is going to absorb about 100 hours, and the whole idea in the first place was that I'd get a holiday. Something wrong there, somewhere.

Secondly, all those who don't win, along with their families and friends, are going to hate me for life. It's easy enough to make enemies without deliberately alienating about 2,000 people.

And thirdly, it's costing me \$25.00 to acquire 100 hours of work, and 2,000 hostile natives. Sort of silly, isn't it?

However, I dunnit and I'm glad. The Toronto Telegram News Service has kicked in another \$25.00 and a lot of people have had a lot of fun taking a whack at writing a column.

And I shouldn't complain about its being work. It's fun. Especially delightful is the fantastic variety of both writers and subject matter. The writers are of all sexes and all ages from 16 to 76. And they wax eloquent on everything from pheasants to families, from taxes to toenails.

Thanks, too, for the many warm and friendly personal messages enclosed. It's kind and thoughtful, even though it won't win a prize. What the columns have proved to me, once again, is that there's a great deal of good humour, good spirit, and good intelligence in our country.

The entries vary in many other ways. Some are quietly humorous. Others are sardonic or ironic. Some are dead serious, some angry, some passionate. (Not that way, Mum).

Some were written on ordinary ruled paper, while the breakfast dishes rotted in the sink. Others were immaculately typed, submitted flat in manuscript form, with return envelope enclosed. Some writers want a pen name used, others want their names in big, bold type.

They come from office workers, farm wives, students and grandmothers. Some people submitted as many as three columns. Some are ungrammatical and hilarious. Others use impeccable English, but are dull. Some are religious, others ribald.

One gentleman writes amusingly of his two pheasants, named John and Lester, because he didn't think they'd be around long. Jim Kerr of Red Deer vents his dislike of teachers in no uncertain way. A former student of mine (Hi there, Mary Graham) tells what a character her grandpa is. One entry consists of his first letter home from a lad serving in Viet Nam.

And they come from all over the country, which makes this thing a real centennial kick. Put them all together and you'd have a book. It would be raggedy and uneven, but interesting, and would present a pretty good idea of what Canada and Canadians are really like.

Trouble is, so many of the columns are so good that I'm in a quandary, right up to my navel. I started to make two piles: the good ones and the rejects. The pile of rejects is two inches high, the other one two feet.

Perhaps the sensible thing to do would be to write a guest column, myself, under a pseudonym, submit it to me, and declare it the winner. It wouldn't be cricket, but it would save a lot of agonizing over that final decision. Not to mention 50 bucks.

Don't worry, chaps. I'll find a solution. Perhaps what I do with my exam papers. Take an armful to the top of the stairs and hurl them. The one that lands on the highest step gets top mark. Bear with me while I peruse. Hope to announce the winner next week.

Cardiff Council

The Municipal Council of the Township of Cardiff met in the Municipal Office, McGillivray Road on June 8, 1967, with 20 members present.

Moved by Todd, seconded by Ruthven that the minutes of the last regular and special meetings be adopted as read.

Moved by McGillivray, seconded by Ruthven that the Clerk contact Michael Brothers Ltd., Carrying Place, regarding the oiling of the Township Roads.

Moved by McGillivray, seconded by Ruthven that we set the Clerk's office hours as follows: Tuesday, Wednesday, Friday and Saturday 9:00 a.m. until 12:00 noon, 1:30 p.m. until 5:00 p.m.; Thursdays from 9:00 a.m. until 12:00 noon. The Assessor will be in the Municipal Office every Saturday from 9:00 a.m. until 12:00 noon, and from 1:30 p.m. until 5:00 p.m.

Moved by Todd, seconded by Lewis, Ruthven and McGillivray that we pay the Assessor, Carl Cooney, at the rate of \$250.00 per month or the amount of \$1750.00 for the balance of the year 1967.

Moved by Todd, seconded by Lewis that we accept the transfer of the portion of the McGillivray Road that lies in Lot 22, Conc. 6, to the Township of Cardiff from the Department of Highways.

Moved by McGillivray, seconded by Lewis that the following accounts be paid: Bruce Gould (re office counter) \$16.00; Elmer Hughey (re relief) \$20.08; Bancroft Lumber (lumber for office) \$102.91; Workmens Compensation Board (1967 levy) \$72.14; Municipal World (supplies) \$39.43; Peterborough Examiner (advertising) \$93.50; Henry Hunter (working on office) \$12.00; Freddie Ayers (sign) \$14.84; Haliburton Echo (advertising) \$8.00; D. What Our Red Cross Is Doing

National Red Cross Society is assisting in many ways to alleviate the suffering in the Far East. Your support through the Annual Campaign conducted throughout this and many other rural communities where Red Cross branches and hospitals are located is the means of this all out national support. Therefore YOU who contribute to our local campaign each year can take pride in the knowledge that you are part of this programme of assistance being conducted.

June 7, 1967 - Red Cross plane carrying blood products, medical and hospital supplies to the Middle East.

June 9, 1967 - Shipment of Serum Albumin valued at \$11,000 by Air Canada from Toronto International Airport to Geneva for distribution to the hospitals in war ravaged countries where it is needed mostly at this time. This plasma is from the blood of many volunteer donors. This could be YOURS.

June 10, 1967 - Over 4,000 health kits valued at over \$8,000 to be distributed to the needy among children who have suffered as a

result of these European wars. Between the United Arab Republic and Israel and also Vietnam. Each of these kits contain a towel, washcloth, soap, toothpaste and brush, comb and small playthings of interest to children everywhere, and were packed by members of the Junior Red Cross of many schools in Canada.

June 16, 1967 - 168 cartons of children's clothing, layettes valued at over \$46,000 being turned over to the International Committee of the Red Cross to war victims and refugees in the Middle East and Vietnam according to their needs. Some of this clothing could have been YOUR donation to the local Red Cross branch, and some of these layettes could have been prepared by OUR OWN LOCAL RED CROSS COMMITTEE in charge of this work and carrying the label of Minden or Haliburton, Ontario.

If you were not involved in any way with any of the above programmes, I am sure YOU will be looking forward to assisting in our 1968 campaign (in September) or joining the members at their next regular meeting.

Uncle Dudley's Column

During the warm moist days of June, more particularly during the recent wet spell, we have enjoyed a fine crop of mosquitoes and black flies.

Of course these pests are always with us at this time of year, and must be put up with. Spraying on a commercial scale may destroy the pests, but the results are often very dangerous to much of our more important wildlife.

Now we are faced with another type of pest we should be able to do something about. I am of course referring to those individuals classed by some as "Litter Bugs". The pest season is July and August when more are abroad.

Many of these people are just thoughtless, not realizing that this is their home when here, whether for a day in passing or a month or season sojourn in hotel or cottage. Others must be classed as undesirable, because they wilfully destroy valuable property, both public and private. It is difficult to understand the mentality of these individuals.

On the brighter side I know of

several folk who carry a "trash bag" in their car always, and any disposable articles are placed therein and transferred to a proper place for disposal. Many thanks to these thoughtful folk.

We might, one and all, make a real effort to keep our surroundings clean and tidy and to recognize civic proper and treat it as we would our own.

On Tour Of Europe

After spending ten days vacation with her parents, Mr. and Mrs. Francis Noble of Wilberforce, Miss Donna Noble, accompanied by a friend, Miss Irene Cummings of Montreal, left Dorval Airport on Thursday, July 6 en route across the Atlantic. While away Donna will visit England and Wales, also tour France, Belgium, Holland, Denmark, Norway, Sweden, West Germany, Austria and Switzerland, returning in eight weeks.

Her many friends wish her all the best for a happy journey and many wonderful experiences.

Report On Haliburton's Centennial Activities

The remarks has recently been heard in our town that Haliburton has done practically nothing in the way of celebrating our country's centennial. Although no doubt there is a lot more we should be doing, nevertheless, we feel that this remark is unfair in view of the following list of centennial activities which have been held in this community so far this year:

● Portraits of the Past - Mrs. Glen Hodgson arranged for us to see this interesting display of Canadian costumes from the earliest periods of our history. This fine display, held in the Arena Auditorium in November, provided a foretaste of 1967 for Haliburtonians.

● Twelfth Night Centennial Festival - this unique and original plan to combine music, pageantry, the celebration of the twelfth night of Christmas, a distinctively Canadian theme, the students of Lakeview Public School, the High School Glee Club and Drama Club, choirs and singers from Anglican, Baptist, Pentecostal, Roman Catholic, Salvation Army and United churches, was the ambitious idea of Mr. Bill Gliddon. It resulted in two evenings (January 4 and 5) of outstanding performances by a combined choir of 250 voices, who sang songs characteristic of a Canadian winter, and Canadian Christmas Carols. The drama group, directed by Miss Joyee Williams, acted out the story of the carols as they were sung by the choir.

● Centennial Skating Revue - Haliburton's Second Annual Skating Carnival was held at the beginning of March and had a centennial theme. Much of the credit for the success of this event goes to Mrs. Doug Peters and Joyce Wood.

● Centennial Window Display - During April and May the front window of Dr. Good's shop on the main street was the setting for a wonderful display of treasured items from Haliburton's by-

gone years. This was a project of Lakeview School, and was capably directed by Mrs. Brant Sisson, Grade 7 - 8 teacher.

● Haliburton's Own Centennial Play - as a private centennial project, Mr. Bill Gliddon wrote, produced and directed a musical play, "Land of the Silver Birch", based on scenes from Canadian history between the years 1535 and 1867, and using Canadian folk melodies, as well as his own musical composition. Again it was Lakeview School which formed the company of fine actors and singers whose three evening performances (May 11, 12 and 13) in the High School Auditorium completely captivated their audiences. It would be interesting to know how many villages the size of Haliburton have produced an original musical play for centennial year.

● Centennial Dance Revue - at the first of June the pupils of Ruth Wallick presented a fine programme of ballet and tap dancing at the High School Auditorium.

● Centennial Ball - also in June, this enjoyable event was arranged and held at the Royal Canadian Legion Hall.

● Centennial Service of Thanksgiving - on June 18 the clergy and congregations of our six churches met together at the High School Auditorium for a combined Service of Thanksgiving. The large congregation was deeply impressed by the sermon of Rev. Bob Rumball, by the music of the combined church choirs, and by the ecumenical spirit of goodwill which characterized the service.

These are the main projects which have so far been produced in Haliburton to make 1967 a year to be remembered. Each of these events has entailed a great deal of preparation and organization by their respective planners. This has been evident by their success. So you see, Haliburton hasn't exactly been standing still in this centennial year.

CARNARVON

The Chambers Clan held a family reunion at the old homestead recently with 54 relatives in attendance. Frank and his brothers' grandparents homesteaded there and their great grandparents emigrated from Scotland and settled around Rice Lake around 1850.

Mr. and Mrs. Sinclair Russell were in Toronto for a couple of days last week and called on Rev. and Mrs. Staples at Bronte and Ralph Hussey in the Hillcrest Convalescent Hospital. Ralph was looking fine and hopes to have his heart operation the end of this month.

Glamorgan Council Hold July Meeting

The regular meeting of the Council of the Township of Glamorgan was held on July 5 at 6:30 p.m. with the Reeve, Mrs. Victoria Agnew, Councillors Mrs. Mae Pickens, Robert Fotheringham, Allan Hadley and James E. Dewey and Road Superintendent Glenn Graham present.

Visitors were a delegation from Salerno Lake, a delegation representing the North Stormy Lake Cottagers' Association, Mrs. Luella Griffin and Mrs. Grace Norris, Mr. Donald Stinson and Mr. Dan Dewey, Mrs. Margaret Pickens, Mr. Frank Dewey and Mr. Ross Agnew.

After the reading and passing of the minutes of the June meeting the delegation from Salerno Lake were asked by the Reeve to lay their business before Council, and a lengthy discussion ensued on the condition of Glamorgan's portion of the road to Salerno Lake, which the delegation stated there has been no work done on for four or five years. They also complemented Council on the state of the Black Lake Road over which they had travelled to Gooderham that evening. Council felt these people had just cause for complaint and passed a motion directing the Road Superintendent to begin repairs on this road the following day.

Mrs. Griffin and Mrs. Norris presented written complaints about their road (the Black Lake Road) and retired from the meeting.

The delegation from North Stormy Lake Cottagers' Association, with Mr. Mathew Mathewson as spokesman, inquired about the possibility of the Township grading their road. When informed by Council that work could not be done on private roads, they inquired about the feasibility of the Township taking this road into the Township system. Mot-

ions were passed to have a representative from the Department of Highways meet with Council to discuss the Stormy Lake Road and to give directive re snowplowing of roads with limited population.

Mr. Stinson, acting as spokesman for the Gooderham Century Gun Club, inquired what further steps had been taken by Council since the June meeting in the matter of preparing a lease between the Township and the Gun Club. A letter from the Township's solicitor was read in explanation. However, since it was stated in this letter that the lease would have to be renewed yearly a motion was passed by Council instructing the Clerk to contact the Township's solicitor to inquire if the lease could be drawn for a ten year period.

Mrs. Margaret Pickens requested and was granted permission to hang a "Public Library" sign on the front of the Municipal Office, which also houses the Library, to advertise the fact that Gooderham does have a Public Library, which incidentally is free to all ratepayers and for which only a nominal charge is made to others.

The correspondence was read and passed and general business followed, during which the Clerk was instructed to write to Fawcett Metal Products and request inspection of a culvert purchased from them which has not stood up to traffic; contact the Department of Lands and Forests regarding a beaver dam which has flooded the Boudary Road to Minnick Lake; reply to a letter from Mr. and Mrs. Devins which was tabled at Council earlier in the year; contact Mr. Curry Bishop, O.L.S., re survey of the access road from the Buckhorn Road North to Bark Bay, Koshlong Lake and to write to Frest, Ingrid and Gorwill of Lindsay re investigations they have been conducting concerning certain lots in the Township and to advise that on the basis of correspondence received by Government Departments, Council feels that the issue is closed.

Discussion ensued on the work of the Building and Sanitary Inspector and the Clerk was directed to write a letter of reprimand.

Mr. Frank Dewey had some questions regarding the Building By-Law, which the Councillors clarified for him.

Mr. Ross Agnew approached Council about the problem of flooding on his property by water running down the village streets and proposed a long-range program to correct this, with temporary measures to be taken as soon as possible. Council agreed to give his proposals some thought.

General Bills and Accounts were passed for payment in the amount of \$800.54, Welfare Accounts in the amount of \$124.15 and Road Voucher No. 6 in the amount of \$1,664.81.

Because tax bills were unavoidably late in being mailed this year the Reeve suggested that the deadline for Discount be extended to July 31, 1967, and a motion was passed to this effect.

Business concluded, the meeting was adjourned to August 2nd unless called earlier by the Reeve.

Card of Thanks

I wish to thank those who took part in preparing Silver Top Dance Hall at West Guilford. Special thanks to Emmerson Lumbor, Davidson Transport and Howard Morrison B.A.

Norm Barry.

I wish to take this opportunity to thank all those who sent cards while I was in hospital, also the nurses and staff of the Ross Memorial Hospital, during my stay there. Special thanks to Dr. Good and Dr. Service. Your kindness and thoughtfulness at this time was really appreciated.

Hector Taylor.

'Thank You' is only a simple phrase, but to our children, relatives, friends and neighbours we mean this most sincerely for the lovely Anniversary Party, the beautiful gifts and cards that we have received. Our sincerest thanks.

Carl and Ruby Francis.

In the midst of our sorrow we pause to express our heartfelt gratitude to the many friends and neighbours for the many expressions of kindness tendered us during our recent bereavement in the loss of a dear father, husband and son. With special thanks to Dr. Good, Dr. Service and the nurses and staff of the Ross Memorial Hospital.

The Wilkinson Family.

We wish to express our gratitude to our neighbours, friends and relatives for their acts of kindness, floral tributes and sympathy cards during our recent bereavement of our beloved mother. We especially thank the nurses in Hyland Crest Home for the Aged, Minden and the John Welch Funeral Home, Minden.

The family of the late Stella Deacon.

We wish to convey our heartfelt thanks to dear relatives, friends and neighbours for their kindness, sympathy and floral tributes received during our recent bereavement in the loss of a dear Mother and Grandmother. Special thanks to Dr. Good and Dr. Bowmer, Haliburton Red Cross Hospital, Rev. Ron McCaw and the Welch Funeral Home.

The Coneybeare Family.

IN MEMORIAM

KELLETT — In loving memory of our dear grandfather, Chester Kellett, who passed away July 7, 1966.

Those whom we love go out of sight But never out of mind; They are cherished in our hearts, Of those they leave behind.

Loving and kind in all his ways, Upright and just in all his days; Sincere and true in heart and mind,

Beautiful memories he left behind. —Sadly missed by granddaughter Carol, husband Yves and Family.

KELLETT — In loving memory of my dear grandfather, Chester Kellett, who passed away July 7, 1966.

A year today dear grandpa was called,

To his eternal rest; Gone where the angels sing so sweet,

And taken when God knew best. We miss him here so very much. His presence oft seems nigh; But we all hope in Heaven to meet,

Where no one says good-bye. —Sadly missed by granddaughter Bonnie, husband Lyle and son Kenny.

McPHADDEN — In loving memory of our dear sister, Kathleen McPhadden, who passed away July 10, 1960.

She had a nature you couldn't help loving,

And a heart that was truer than gold;

To those who knew her and loved her,

Her memory will never grow old.

—Sadly missed and lovingly remembered by her sisters Audrey and Lovina.

MacPHADDEN — In fond and loving memory of our dear sister and aunt, Kathleen, who passed away seven years ago July 10, 1960.

She bade no one her last farewell, She said goodbye to none;

The heavenly gates were opened. A loving voice said "Come".

We often sit and think of you, The things you used to say;

We wonder why you had to die, Without a chance to say goodbye.

Though out of sight you're ever. Still missed, loved, you're ours;

You will live with us in memory, Until the end of time.

—Sadly missed but ever remembered by sis Josephine, brother-in-law Clare and Nieces and Nephews, the Sawyer Family.

DEATHS

MACKAY, Ethel Bernice — At Toronto on Wednesday, July 12, 1967, Ethel Bernice MacKay, beloved daughter of Mrs. Rubena MacKay, sister of Marjorie (Mrs. Roy Windover) and George of Oshawa, in her 43rd year. Resting at the Funeral Chapel of John Welch and Son, Minden until Friday, July 14 thence to the United Church, Minden for service at 11 a.m. Interment Twelve Mile Lake Cemetery.

Dysart Council

(Continued from Page One)

For a period of five years for the sum of \$10,000 per year. Councillor Cooper said in his opinion this was not a very good deal, as he was not in favour of tying up any public utility for this long a period, especially when Mr. Blair under the new contract has the option for another five year lease on the Arena. The Board thought they had made an excellent deal, one that would assure that the rink would at least break even or show a little profit. Mr. Cooper said that he thought the rink should be let out on a tender basis. Reeve Brohm didn't think that they would get any tenders, as no one else would be in a position to offer as much as Wren Blair. Council approved the contract, with Councillor Cooper registering a nay vote. It might be added that the contract only covers the months of July, August and September.

Swimming Lessons

The 1967 season of Red Cross Water Safety and Swimming Instructions are under way now in West Guilford, under the capable instructors, Barbara and Susan Prentice.

Registration for the classes in Haliburton will be on Monday, July 31, when Barbara and Susan will again instruct at the Red Cross area near the Rotary Beach. Classes this year will be in both the morning and afternoon for the four week period beginning July 31 and ending August 25. Classes are open to all, and are sponsored by the Haliburton

O.P.P. Investigate Twelve Accidents

Minden O.P.P. investigated 12 accidents during the week of July 2 to July 8. Eight accidents were property damage only with total damage estimated at \$2,300.00, the remaining four were personal injury accidents with four persons injured and \$2,725.00 in damage sustained to the vehicles involved.

Provincial and county roads were patrolled for a distance of 3,520 miles during which time 32 Highway Traffic Act and seven Liquor Control Act charges were laid.

A total of 17 criminal investigations were conducted during the week, broken down as follows: Thefts 6, Disturbances 3, Trespassing 1, Assaults 2, Damage to Property 3, Break and Enter 2. Seven compassionate messages were delivered to eoblayers and visitors in the area.

Several amendments have been made to the Highway Traffic Act and we feel that you should be made aware of the changes. So

in the weeks to come we will endeavour to print and explain these amendments which came into effect July 1, 1967. The first amendment of interest, especially to the younger generation, is the section governing mufflers and is as follows: Every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke, and no person shall use a muffler cut-out, straight exhaust, gutted muffler, holly-wood muffler, by-pass or similar device upon a motor vehicle. In the past it was not an offence to use a holly-wood or similar type of muffler, but due to the noise that is caused by this type of muffler it was seen fit to ban their operation. So if you have such a muffler on your car we would suggest that you remove it immediately before you are stopped and its costs you some extra money.
